Dear Bass member,

Traditionally, the BASS creates the opportunity to clinicians and researchers to present data on their clinical and fundamental research during the BASS Autumn Meeting. Therefore, we would like to invite you or your co-workers to send in your abstracts and present your data in the 'free communications' sessions during this year's Autumn Meeting in Brussels, on November 28, 2014.

You can use info@belsleep.org to send your abstract.

The presentation that receives the highest quote from the jury will be awarded with the prestigious André Kahn prize, amounting to € 3500.

The VAPA Sleep Apnea Research Award (500 EUR) will be granted for the best presentation on sleep apnea.

The two prices cannot be combined.

The rules for this contest may be consulted at the website www.belsleep.org/education

You can use info@belsleep.org to send your abstract.

The BASS board and the local organizers are looking forward to the session of the free communications.

Ilse De Volder
